CONTRACT RELEASE: T-603(5)

DATE: JUNE 18, 2024

PRODUCT/SERVICE: TRAILERS AND MISC PARTS AND ACCESSORIES

CONTRACT PERIOD: FEBRUARY 1, 2023, THROUGH JANUARY 31, 2025

EXTENSION OPTIONS: UP TO 36 MONTHS

ACQUISITION MANAGEMENT SPECIALIST/BUYER: DALE STEVENS

PHONE: 651.201.2448

E-MAIL: dale.stevens@state.mn.us

WEB SITE: <https://mn.gov/admin/osp/>

NOTIFICATION OF MULTIPLE AWARDS

THIS RELEASE CONTAINS MULTIPLE AWARDS FOR SIMILAR OR LIKE ITEMS. STATE AGENCIES AND CPV MEMBERS SHOULD REVIEW AND COMPARE ALL MULTIPLE AWARD CONTRACTORS IN ORDER TO ENSURE THE BEST VALUE FOR THEIR POTENTIAL PURCHASE. FACTORS SUCH AS, BUT NOT LIMITED TO, COST, EQUIPMENT WARRANTY TERMS, VENDOR LOCATION, DELIVERY LEAD TIMES, AVAILABLE SUBSTITUTES, SELECTED OPTIONS AND CURRENT FLEET AND EQUIPMENT OR PARTS INVENTORY LEVELS ALL MAY CONTRIBUTE TO THE TOTAL COST/VALUE OF AN INDIVIDUAL PURCHASE. MULTIPLE VENDORS MAY BE ABLE TO SATISFY THE REQUIREMENTS OF THE PURCHASER AND THEREFORE IT IS IMPORTANT FOR THE PURCHASER TO REVIEW ALL CONTRACTS AND CONTRACT PRICES BEFORE EXECUTING AN ORDER.

CONTRACT USERS. This Contract is available to the following entities as indicated by the checked boxes below

- State agencies
- Cooperative Purchasing Venture (CPV) members

STATE AGENCY CONTRACT USE. State agencies should make every effort to use the Contractor(s) listed. However, this Contract does not prohibit State agencies from using their delegated local purchasing authority to procure similar products and services from other vendors.

STATE AGENCY ORDERING INSTRUCTIONS. Orders are to be placed directly with the Contractor. State agencies should use a Contract release order (CRO) or a blanket purchase order (BPC). The person ordering should include his or her name and phone number. Orders may be submitted via fax.

SERVICE CERTIFICATION FORM REQUIREMENTS.

Pursuant to Minn. Stat. § 16C.09, agencies must complete a "Service Contract Certification Form" prior to issuing an order for services offered from this Contract.

CONTRACT FEEDBACK. If these commodities or service can be better structured to help you with your business needs, let us know. We solicit your comments and suggestions to improve all of our contracts so that they may better serve your business needs. If you have a need for which no contract currently exists, or you would like to be able to use an existing state contract that is not available to your entity, whether a state agency or CPV, please contact us. If you have specific comments or suggestions about an individual contract you can submit those via the [Contract Feedback Form](#).

HOW TO USE THIS MASTER CONTRACT

Step 1: Request a Quote

Request a quote from one of the Contractors listed on this Contract Release. **Note that you should not request a quote from a Contractor whose contract is not fully executed or on a contract that is expired.**

At a minimum the quote must include:

1. Contractor's name.
2. Name of Contractor's representative providing the quote.
3. Date of quote.
4. State Contract Release T-603(5) and Contract number.
5. Detailed description of the Contract product(s) or item(s) being provided. Individual price, quantity and the agreed upon ARO.
6. The name and title of the person from the Contractor issuing the quote.
7. Total price for all products/items quoted.
8. Expiration date of quote.
9. Delivery charges must clearly state the delivery charge per loaded mile and the delivery starting point.

Mileage distance will be the distance from the delivery starting point to the Ordering Entity's delivery point only. Mileage distances will be determined from <https://www.google.com/maps> or <https://www.mapquest.com>. The ordering agency may use the Contractor delivery, may pick up the equipment, or may contract for delivery with anyone it chooses. The delivery charge may be a factor in the award.

Step 2: The Ordering Entity is to verify the quote to confirm contract pricing and that the After Receipt of Order (ARO), offered meets the business need.

Detailed Pricing for the T-603(5) Trailers and Accessories information is available on the Contract Specifications Index web page: <https://www.dot.state.mn.us/equipment-contracts/index.html>.

The following information explains the methods for calculating and/or confirming the contract prices.

- A. The Contract(s) was executed with FIXED PRICING. The pricing offered must match or be lower than that detailed herein.
- B. For PERCENTAGE DISCOUNT OFF OF LIST pricing, calculate the contract price by following these steps:
 - 1) Locate the appropriate price list using this release and the MnDOT web page.
 - 2) Calculate the Contract Price by applying the Percentage Discount Off of the Appropriate Price List to the appropriate Price List.
 - 3) Confirm the price offered is equal to, or lower than, the price calculated in step 2.

Only accept quotes that provide itemized contract pricing (lump sum price quotes must be rejected and revised by the Contractor to show itemized State contract pricing).

Prior to accepting an order and/or issuing an invoice, inspect the products received to ensure they match both the terms and pricing of the contract.

Contact the AMS/Buyer detailed on the first page of this Contract Release to report any pricing discrepancies or for assistance in confirming/calculating contract pricing.

Step 3: Establish a Purchase Order.

Once the ordering plan has been approved, a Purchase Order (PO) may be issue before any products is shipped by the Contractor.

State agencies issuing purchase orders should use a Contract Release Order (CRO) or a Blanket Purchase Order (BPC).

The person placing the order should provide their contact information to include their name, phone number and email (if applicable).

Step 4: Paying the final Invoice

Before issuing payment on an invoice, the Ordering Entity must inspect the contract products to ensure they match both the terms and pricing on the contract. Only accept invoices from Contractors that itemized contract products and delivery charges as stated in the Special Terms. Lump sum prices must be rejected and reworked by the Contractor to

show itemized State contract pricing. The invoice must include enough detail for the Ordering Entity to verify that the products were delivered on the invoice have been provided.

The Contract(s) pricing structure is a PERCENTAGE DISCOUNT OFF OF LIST PRICE. To calculate the Contract Price, follow the processes provided in Step 2 above.

Note that the delivery method (Drop Ship or Inside Delivery) must be stated on the invoice.

END OF HOW TO USE THIS MASTER CONTRACT INSTRUCTIONS

SPECIFICATIONS, DUTIES, AND SCOPE OF WORK

Section 1: Equipment Specifications

Trailers: Belly Dump, Lowboys, Flatbed, Tag, Slide, Axle, Utility, Gooseneck, Enclosed, and Etc.

1. Scope.

Trailers must be the most current advertised production model as modified per specifications and approved by Mn/DOT furnished with all standard equipment advertised whether or not specifically called for here except where the item is replaced by optional over standard equipment or conflicting equipment is specified. The unit must be complete with all equipment required and ready for immediate operation to function as listed below and the unit must meet applicable State and Federal codes and standards.

2. Trailer Requirements.

- 2.1. Trailer capacity to be at highway speed.
- 2.2. Trailer to be a maximum width of 8'6" wide (where applicable).
- 2.3. One complete set of parts and service manuals must be included for each trailer ordered.
- 2.4. Manufacturer's standard color acceptable, paint must be lead free.
- 2.5. Trailer Plug electrical connector is to be 7-pin, Round, wired to match MnDOT's spec. (See Exhibit E). Or MnDOT may purchase a RV Plug wired to the Industry Standard wiring.
- 2.6. MnDOT will only purchase trailers that meet the following lighting and wiring specifications (See Exhibit E):
 - Trailer must meet or exceed all current Federal Motor Carrier Safety Regulations 393.9 thru 393.33.
 - Trailer cord plug must meet SAE spec. J560 and be wired directly to trailer cord.
 - Plug to be wired as follows if a 7 Pin with Round Pins (Only other plug that will be excepted will be a RV plug that is wired to industry standard wiring):

White – Ground return to towing vehicle

Black – Electric brake controller – or not utilized if trailer has air, hydraulic or no brakes

Yellow – Left turn signal and hazard lamps (w/brake – *not required)

Red – Stop lamps and antilock device

Green – Right turn signal and hazard lamps (w/brake – *not required)

Brown – Clearance, marker, and taillights

Blue – If air Brake – Continuous ABS power

If electric Brake – Ign. controlled B+ for break-away battery charge

- 2.7. No trailer cord adaptors will be accepted.
- 2.8. Trailer cord to be wired to a weatherproof, 7-terminal junction block (Waytek part #47290 or approved equal).
- 2.9. All MnDOT trailer light wiring (including ground wiring) must be routed to a weather tight junction block and using compression fittings of the correct size for the cable being used. The box should be located under the bed behind the tongue area.
- 2.10. Wire splices will be soldered and have heat shrink connectors or heat shrink covering with glue or done with

heat shrink butt connectors that have been heated and shrunk to wire or soldered and have heat-shrink that has been shrunk to wire.

- 2.11. No wire nuts, closed end connectors or self-stripping displacement connectors (i.e. Scotch Loks) will be accepted.
- 2.12. All lights must be LED.
- 2.13. There must be individual brake (2 ea.) and turn signal lights (2 ea.) for a total of 4 lights. These lights must be 4" round lights in rubber grommets or 3"x 7" oval lights in rubber grommets. Clearance and Marker lights must be 2" round lights in rubber grommets or MnDOT approved equal.
- 2.14. For MnDOT any trailer that need brakes must have brakes on all axles.
- 2.15. The equipment is required to pass a Commercial Vehicle Inspection (CVI) by a licensed MnDOT commercial vehicle inspector before payment will be made. If the equipment cannot pass the CVI from a licensed inspector, the contractor will be contacted to pick up the equipment and make necessary repairs so the equipment will pass a CVI. The vendor will then return equipment in a condition that will pass a Commercial Vehicle Inspection. The pickup, delivery, and repairs to the equipment to be at the contractor's expense.

3. Equipment Options.

- 3.1. Equipment options include MnDOT wiring and lighting layout, long stroke brake chambers, and hot dipped galvanizing.
- 3.2. If your trailers have Dexter Axles, you must offer long Stroke Brake chambers. MnDOT will not purchase trailers with Dexter axles without long stroke brake chambers.
- 3.3. If you offer hot dipped galvanizing as an option, list the trailer models that can be hot dipped galvanized and the price to galvanize each on the Price Pages.
 - 2.0 Pricing Page Method 1 - Section No. 5.0 - Hot Dipped Galvanizing.
 - 3.0 Catalog Discount Method 2- Option Line 2.3 - Hot Dipped Galvanizing.
- 3.4. You may add additional lines on the Price Pages in Section No. 2, Options, if you wish to offer additional equipment options.

4. MnDOT Trailer MSO.

The Manufacture Statement of Origin (MSO) must be delivered to the Ordering Entity within fourteen (14) calendar days of trailer delivery date (trailer to be delivered to the location designated on the PO). The payment process will not start until both the trailer and MSO are received at the required locations of the Customer.

For MnDOT purchases, the MSO must be delivered to MnDOT Office, 6000 Minnehaha Ave, Fort Snelling, MN 55111.

Section 2: Additional Terms and Conditions

1. Transit Improvement Vehicle Excise Tax.

A \$20 Transit Improvement Vehicle Excise Tax applies to sales of motor vehicles registered for road use. The \$20 must be collected by any person in the business of selling new or used motor vehicles at retail when the sale occurs in the transit tax area. The \$20 tax applies even if the buyer is from out of state and will take the vehicle out of Minnesota for registration. The \$20 tax is not connected to registration, but rather to the sale. The Deputy Registrar does not collect this tax. The Contractor (dealer) must report the \$20 on their electronic sales tax return at the same time as they report their Minnesota sales and use tax.

The sale occurs where the purchaser takes possession of the vehicle. So, if the vehicle is sold in the transit tax area, but is delivered out of the transit tax area, the \$20 excise tax does not apply. Conversely, if the vehicle is sold outside of the transit tax area, but is delivered into the transit tax area, the \$20 excise tax does apply.

Exceptions to the \$20 Transit Improvement Vehicle Excise Tax:

- Federal government agencies, vehicles not required to be licensed for road use (e.g., marked police cars, fire trucks and ambulances) and vehicles for resale.

- Leased vehicles.

As a point of clarification, the following taxes DO NOT apply to the sale of motor vehicles:

- General Sales and Use Tax
- City and County Local Tax
- Federal Excise Tax (as the State is Exempt)
- Transit Improvement 0.25% Sales and Use Tax

Transit improvement Vehicle Excise Tax is not to be included in the prices offered. Transit Improvement Vehicle Excise Tax shall be a separate line item on the quote and invoice.

2. Right to Add.

During the term of the contract, the State reserves the right to add additional equipment and accessories, upon mutual agreement between the State and the Contractor Vendor(s) through a duly executed amendment to the contract.

3. Equipment Manuals and Literature.

The Contractor shall provide equipment manuals and literature (maintenance, repair, parts, and operating manuals) at no cost to the Customer upon equipment delivery, in printed or electronic format.

4. Equipment Orientation.

The cost of the equipment must include orientation to the end user that will familiarize the end user on how the

PRICING DOCUMENTS

Price Lists: Contact the Contractor to confirm the equipment brand, model and build specifications to satisfy your operational requirements. The Contractor shall confirm the equipment brand, model and build specifications to the customer. Contracts were executed with either a fix price or percent discount off a list price. The pricing offered must match the prices in the price book found on the Minnesota Department of Transportation Maintenance Contracts link below.

**Select the following link to the MnDOT Contract index.
